

Lagondaforum: Wedge for sale

Wedge for sale

Written by h14 at Jun 08, 2016 8:42 pm

Outside my field of interest, although I do like the style of these cars. Here's one for sale in the south of France, displayed with the usual remarkable French sales panache. Enjoy.

I am advised this may be a scam

*

has been on the market for several weeks and no replies to emails

phone number doesn't work either*

Exercise caution.
