I have received the following email:

*

I am helping to organise this charity event, alongside John Glyde from AMOC Area 21, in aid of Help for Heroes. The text below gives you all the relevant details and it would be great if we could get a display of Lagondas there as well. I was hoping that you would be able to circulate the Lagonda guys and ask if they would like to come along and join in the fun - please feel free to copy the text below and use as you feel appropriate.

I very much hope that you will be able to join us and make this a great day.

Kind Regards, David Such, AMOC Area 1 Rep.

Robert and Tanya Lewis are staging an event in aid of Help For Heroes on August 13th 2016 at their wonderful Car Museum in Churt, Surrey. From small beginnings several years ago this event, when it was last run in 2014, had an attendance of 1400 people helping to raise in excess of £50,000 for Help For Heroes. This year, with your help, they hope to have upwards of 2000 people with a possible 1000 cars from a large variety of Marques in an effort to top the previous figure ..

There will be a display of Hyper-cars alongside a spectacular array of cars from Aston Martin, Bentley, Ferrari, Rolls Royce and Jaguar to mention just a few of the makes that will be on display.

You will be able to wander amongst the beautiful cars at your leisure and also have the opportunity to explore Robert and Tanya's extensive landscaped woodland gardens.

If you have not been for some while, the Museum has expanded greatly and they now have an impressive workshop with a resident mechanic ,enabling on-site restoration. .

A silent auction, auction and raffle will be held with very generously donated lots .There will be a Band, entertainment for children and hot food will be served alongside a bar. This whole fantastic day is offered up in exchange for a donation to Help For Heroes and every penny you donate goes to the charity.

If the weather is inclement there will be an undercover area for your refreshments

A Very Special Opportunity Not To Be Missed

We went to this event in 2009 and 2010 and it was a lovely day out. Robert & Tania's hospitality is wonderful and of course it's all for the purpose of raising money for their chosen charity. I have no idea how many cars were there 5 or 6 years ago but b the sound of it it's grown considerably. I will certainly try to get along and I would thoroughly recommend it.
