Lots of Lagonda photos for sale on eBay

Written by Rich5ltr at Jun 29, 2016 7:33 pm

Currently eBay seller lisa_marie22 has 17 photos of Lagondas for sale on eBay. With starting prices of £0.99 these are cheap enough. in most cases you can see the regestration number of the subject so I thought they may be of interest to some owners on here.

p.s. No attachment to the seller and my car is not among the lot for sale!
