Lucas P100 Headlights

Written by Bill LG45 at Sep 18, 2016 11:54 am

I have a restored pair of Lucas P100S headlights which are in Nickel plate, ready to fit to a car, surplus to my requirements . See pictures.

I also have an unrestored pair of the later P100L headlights which eminently restorable with no major issues or could be used as is on a non-concours car.

If interested, please give me a call.

We are attending AGM so could bring them.
