

Lagondaforum: Stolen 2litre radiator , hedlamps, brackets, horn badges

Stolen 2litre radiator , hedlamps, brackets, horn badges

Written by nigel gray at Nov 15, 2016 2:02 pm

The radiator on ebay, see spares, is from my car and along with other parts was stolen from my workshop whilst on holiday.

Please advise if you see these for sale and if you have purchased the radiator from ebay please contact me as it is stolen property and the police and ebay fraud are involved
