For sale: 1937 Lagonda LG6 Limousine de Ville

Hi

I bought this car last year with the best of intentions, but I've run out of time/money/space! It's currently at V and P in Essex but I'm thinking of entering it at auction next month. As auctions are expensive for both buyers and sellers, I'm happy to entertain sensible offers in the meantime.

You can see more details here:

http://www.vandp.net/sales/918/1937-lagonda-lg6-limousine-de-ville/

If you're interested in an LG6 you're unlikely to find a more original one than this, at least at this price level.

Please feel free to call me on 07879 888342 if you have any questions.

Jonathan E

I love it Jonathan,

What is a sensible offer?
No prices on the V&P site.

Thanks,
Julian
