Info on Dick Seaman owing Lagonda plus pictures?

In the book 'DICK SEAMAN - RACING MOTORIST' by Prince Chula printed 1945 by Foulis, it tells of Dick Seaman being given a Lagonda car by his father in late? 1933 [page 34] then on page 36 it says 'his old 2Litre Tourer, which was now fitted with a trailer, on which the MG [1933 Mquette] was towed to races,' these were in the UK and on the Continent.

Does anybody know of photos of this 2L with trailer and MG, so we could identify the Lagonda 2L hopefully showing the Reg number of it and the MG Mquette [ex Whitney Straight] Thanks Christopher H - 2L LC!
