A gentle reminder that all members and Lagonda enthusiasts are invited to join us at our informal gathering from midday at the Woodman, Ide Hill, near Sevenoaks, Kent.

Just a brief note of thanks to those that made it along to the Woodman at Ide Hill yesterday. What a terrific afternoon. We had 5 Lagonda's and a 1914 Woolsley. Some great chat and a good opportunity to open bonnets and inspect each other's oily moving parts.

I will post some photos when I've worked out how to reduce the file sizes.
