There's a collection closing in Tupelo MS (USA), and one of the cars is a 1936 LG45 Tourer (<https://www.bonhams.com/auctions/25593/lot/465/>). You could come bid on it, and then swing up north to Louisville for the Kentucky Derby 🏇 Estimate is \$220K ~ \$290K USD.

\$168,000? What a bargain for someone.
