I have for sale,

One original steering wheel in good condition, two original aluminium rear wing spats or splash guards. Two original AML large size drawings of the recommended lubrication system and wiring diagram with a copy of an original letter from AML to the original owner of the 2.6 dhc. one original red leather bound owners hand book in reasonable condition. one AML dealership flag, red with the Lagonda logo probably 2 m by 1 m. I was going to use it as a dust sheet but bever unpacked offers for all please?
