Lagondaforum: Alvis Speed 20 SA wanted

Alvis Speed 20 SA wanted

Written by davidbracey at Nov 17, 2019 7:30 pm

Sorry for posting this on our Lagonda forum but I am hoping that someone amongst us might know of a speed20 for sale. Preferably with a VDP tourer body.

Definitely do NOT want to go through a dealer. Have been messed around too much.

I should stress that this is not to replace my LG45 which is staying securely put.

Thanks. PM me if you know of anyone selling.

Jan 2020 Classic Cars mag just arrived, and its classified ads have one for sale in Hampshire at £79995. Doesn't appear to be a trade ad
