A 1927? handbook spotted currently for sale on ebay:

[.ebay.co.uk/itm/Lagonda-Fourteen-Sixty-Two-14-60-2-Litre-Circa-1920/124033533445?hash=item1ce0f98605:gNgAAOSwRqxeEKI0](https://www.ebay.co.uk/itm/Lagonda-Fourteen-Sixty-Two-14-60-2-Litre-Circa-1920/124033533445?hash=item1ce0f98605:gNgAAOSwRqxeEKI0)

"OH8765" is pencilled on one of the pages; it would be nice for this to be re-united with the car, if it still exists.
