Jan Apel

Written by Julian at Apr 27, 2020 10:59 am

Hi All,

It is with great shock and sadness that I have to post the loss of Jan Apel,

Many of you knew Jan as a big fun German and prolific builder of specials, I knew Jan well and kept in contact regularly,

Jan was unfortunately found dead yesterday in his garage next to the car he was working on, the cause is not yet known but a heart attack or similar is suspected.

My sympathies go to his family.

Jules
