Hi,

Glad it will be open to non members,

I personally do not want to be a club member due to some very silly rules that I totally disagree with.

I do however love being connected to Lagonda owners such as all of yourselves reading this, members or not, and really like this forum and the chats we all have. (lack of time stops me visiting here as much as I would like)

I look forward to seeing you all on the other side so to speak 🤝

And a heart felt thanks to Peter for setting it all in motion.

Best regards,

Jules
