

Lagondaforum: Wire-wheel nuts and front hubs

Wire-wheel nuts and front hubs

Written by crymr at Nov 04, 2009 11:29 pm

ALL SOLD Set of four original wire-wheel nuts (aka 'spinners'). Quite serviceable but chrome flaking in places.

Also, pair of front hubs. Again, serviceable but obviously splines not as 'tight' as new. Could use as-is or perhaps have refurbished.
