

## Lagondaforum: ACE digits

### ACE digits

*Written by DavidLG45 at Dec 06, 2007 12:56 pm*

I'm trying to get a complete set of ACE translucent digits for the rear numberplate box (not Blumels).

I managed to get some from Les Durant 01625 873699 (a UK number) if anyone else is interested. I think he will buy any spare ones too.

I have all except one letter. I'm looking for a letter J

So if you have one lurking at the back of the garage let me know.

David,

Try the Lagonda spares man Robin Cooke +44 1728 604040.

His main job is to supply spares for Rolls-Royce and Bentley cars and he may be able to find you a 'J'. Good luck
