

Lagondaforum: Solex Carb Service Kits

Solex Carb Service Kits

Written by Guy Vinall at Dec 24, 2011 10:16 am

Any ideas where I may be able to purchase a service kit for my Solex Carbs? Many thanks, Guy.

Get the kits from here;

John Mayhead

Managing Director

AlfaRetro Limited

Blandford, Dorset, UK.

Tel/Fax: 0845 5396639

email: sales@alfaretro.com

Web: www.alfaretro.com

John is very helpful and should give you free postage if you buy two kits like I did - cheaper than eBay! It's worth mentioning that you do not get idle jets or throttle shaft seals with the modern kits - these must be purchased separately.
