Lagondaforum: Spam will be removed

Re: Spam will be removed

Written by Peter S30 at Jan 16, 2012 3:39 pm

done!

We will look for better anti spam protection and removal. For now I have changed the registration a new user can only register if I let him in. He will have to pass a little exam about Lagonda or something similar...

Good idea, make sure there are a few questions about obsolete part numbers...

Spam will be removed

Written by Peter S30 at Jan 16, 2012 7:52 am

I will sort out the last spam later today, don´t reply to the nonsense for now. If this happens again we will have to change the way somebody can register to the forum.

Peter
