DB6 Radiator

Written by randall977 at Feb 01, 2012 5:43 pm

What is the difference between a Rapide radiator and a DB4 - 6 radiator?

No, but DB4 - 6 radiators are normally listed under different part numbers when you look at a radiator manufacturers website... I only ask as Aarons Radiators are offering a DB6 radiator for £250. I'm actually after an aluminium one to reduce the running temperature, they had them for £350 last year but now they are £600.
