DB 3 ltr Windscreen rubbers

Written by reevsy at Jan 22, 2008 8:10 pm

I have Had 30m of windscreen rubber produced and will have some over after fitting my new windscreen, any interested parties should contact me or John Woodward for details. I enclose a photo of the rubber profile. Other profiles could be made.

Peter hi

Do you have the name of the people who made this for you, and do you have small sample to hand of the windscreen rubber ?

Kind regards

Simon
