there are still places available with your **car on the train from Graz back to Feldkirch** (Austria, near the Swiss border) evening of 24.8.08 or later, if somebody is traveling back through Switzerland. For reservation call 0043 5 1717 (will ask you a choice in German, on first question press 2, on second press 1, then wait, when you reach a person he/she should speak English too).

The trains from Feldkirch to Graz the week before seem to be completely booked

Peter I think that must have been a great event. Do you think you (or anyone you might ask) could do a short report, say about 200 words, for our new website ? Perhaps also include a couple of photographs and the entry list. Send to me by e-mail tim@lagondahire.co.uk

See the website on www.lagondaclub.co.uk
