

## Lagondaforum: 2 litre Manual on Ebay

### **2 litre Manual on Ebay**

*Written by Bills at Jan 26, 2008 5:31 am*

I note there is a, what looks to be, original 2 litre OH manual on Ebay, nothing to do with me incidentally. The item number is 150208517652. I have not seen the like before but this week two turned up from different sellers, I managed to get the other one! Regards and happy motoring. Bill Scholfield (S7)
