Book-offer: Lagonda by Bernd Holthusen

Written by Lars at Sep 04, 2012 5:32 pm

Dear forum-members,

I do own a german copy of the book "Lagonda. Die 4.5 Liter Wagen des W. O. Bentley" by Bernd an Corinna Holthusen and I'm willing to sell it.

It is an unnumbered version of the book from the year 1994, that was printed right before the production of the numbered edition.
My father got it directly from the printing company that printed the whole german edition. So it's one of the oldest versions ever printed.

The book is in a very good condition (my father and me browsed it only 5 to 10 times at most).

So, if one of you is interested in buying the book, just send me an E-Mail or a personal message.

Regards,
Lars

p.s. If requested, I can send you photos of the book by e-mail.
