See my advert under "For Sale" in the V12 section of the Forum.

Hi all,

this section is only for spare parts that are not specific for a car with its own spare parts section. Doubles here will be removed.

Hi Peter,

Sorry, didn't intend to transgress! I was concerned that the only other entries under "For Sale" in the V12 section are where people have listed cars they've spotted coming up for sale elsewhere. So "Spares" seemed a good place to draw people's attention to the advert.

Hi Laurence,

no problem. For sale section is intended not only for complete cars but for parts too
