Time to get ready for next years AGM and Concours on last week end of September 2013! All models before the 2 Litre - including forecar and even Motor Bikes - Anybody seen or got one?

Yes, you may need to trailer part way, but lets see how many we can gather - Ken Painter is a good focus for leading this build up!

GET THE REBUILD GOING - IT WORKED FOR THE 16/80s THIS YEAR!
