A nice looking 3.0 litre 4-door on ebay, car based in Italy.

http://www.ebay.co.uk/itm/1956-Lagonda-3-litre-salon-/150928306730?pt=Automobiles_UK&hash=item232407322a

Car very much in 1950's style with two tone paint scheme of gray and blue.

Given the very clean state of the engine bay, the car appears to have been recently restored and looks good in the pictures

Asking price is 41,000 pounds

BTW, the car has been advertised for a while on net, spotted it 4-5 months ago.
