1949 2.6 litre dhc for sale in Germany

Written by SRD at Nov 01, 2012 10:53 am

A very attractive 2.6 litre dhc in a nice two-tone paint scheme, for sale in Hamburg:

http://www.prewarcar.com/index.php?option=com_caradvert&view=ad§ion_id=4&id=66542&Itemid=461

The asking price is 92k. These cars are far better thought of in Europe, although I wonder at what price they actually sell ?

This car has been advertised by the same vendor at the same asking price for (literally) years now.
