T9 bodied M35R for sale

Written by Colin M34 at Feb 15, 2008 10:33 pm

Hi everybody,

A friend of mine has mentioned that he would like to sell his immaculately restored 1935 T9 bodied M35R. The car has not been seen much in Club circles. It is in absolutely tip-top condition ready to use and was restored by a very well-respected person. It is cheaper than an M45 Rapide and as it has been uprated goes pretty well the same, and being 3.5 litres does not have the same thirst for petrol.

Contact me via a private message for more details
