Lagondaforum: Car wanted

Car wanted
Written by David at Sep 14, 2013 5:45 pm

Did a Tony Olisoff contact anyone here during the summer about his interest in buying a Rapide?

David - I did get some information from this gentleman through the club forum, using the "ask a question", and sent an email reply back, giving some idea of current prices and availability.

Keep well and look forward to seeing 117 shortly !

Simon
