Fuel gauge for 1936 LG45 S1

Written by davidbracey at Feb 11, 2014 4:02 pm

Hi everyone,

I'm on the scrounge again... This time I am hoping to find a working fuel gauge for my LG45. I've sent the original one away for repair but after several months it is looking unlikely that it is coming back!

Happy to pay the appropriate rate for a replacement if anyone has a spare which I know is unlikely.

Hopefully,

David
