Lagonda M45 on BBC1, today 11.7.14

Might be interesting to watch: Friday 11.7.14 at 19:00 (British time) on BBC1 in "the one show": Lagonda M45 owned by T C Mann, competed in the Monte Carlo Rally 1936 and still in the family.

For those with no TV or abroad: one of many links to see it over the internet:

Hi Peter,

Thanks so much for this! Thoughtful of you, was wondering how I'd get to watch this following Colin's alert.

No Lagonda appeared in the show yesterday. Received the Information from Colin that the car did not make it to the show because they got stuck in London traffic.

Worse yet as apparently from overheating, just what has been recently discussed here.

Very great shame!

Old cars for you though!

Sounds like new radiator time.
