

## Lagondaforum: Fabric body for sale

### Fabric body for sale

*Written by Colin M34 at Jan 16, 2015 12:36 pm*

My 16/80 project was sold without the fabric 4 seater tourer body so this is available separately. It includes bonnet, seats, walnut dash panel, windscreen and low chassis bulkhead.

It would make a great special for someone with a 2 or 3 litre Lagonda chassis without a body.

Price is negotiable. PM me if interested.

Colin M34

Body sold on eBay and is destined for a French Talbot here in the UK. Good result.
