2 litre back axle

Written by jan A1 at Jul 12, 2015 7:06 am

Good morning gentlemen 😊

Does someone know if there is any other 2 litre diff ratio available than

4.2 to 1 (club) or 3.3 to 1 (offered by lmb)

Car is 1933 16/80, so same as 2 litre.

Any information welcome.

Thanks and kind regards
