Hi Folks

There is a radiator for a late (ZMBS) Three Litre for sale on eBay.

Take a look at

[http://www.ebay.co.uk/itm/Mid-1930s-Lagonda-Radiator-/281758726165?&\\_trksid=p2056016.l4276](http://www.ebay.co.uk/itm/Mid-1930s-Lagonda-Radiator-/281758726165?&_trksid=p2056016.l4276)

Looks in reasonably restorable shape.

Colin
