## AGM Weekend

*Written by RobO at Oct 04, 2015 9:24 pm*

Just a short note to thank you to everyone who made me very welcome this weekend. The club is a very friendly bunch of enthusiasts and it was great to put faces to all of the names. KY is happily home and still running nicely with her replacement magneto, many thanks to David Hine for the help swapping it over. Looking forward to seeing everybody soon.

All the best

Rob.

Afternoon all

Just wanted to add our thanks to all of those who worked really hard to make last weekend happen, we really enjoyed it!

We look forward to the day when we have finished our Lagonda LG45 and can bring that along but with that still apart we came in our Model A Ford and were made to feel very welcome and are very happy to have joined this friendly club.

Rebecca, the cakes were just marvelous thank you both so much for your hospitality.

I have added a few photos I thought you would all like to share including David Bracey and the Swiss with their silverware.

Best Regards to all

Bill

Hi All,

## Lagondaforum: AGM Weekend

Bill, thanks for posting that photo. A marvelous momento of a fabulous weekend.

This was the first Lagonda Club event that we have been to as a family and I can tell anyone yet to experience the combined an unfailing generosity of the members that they are missing out. We really couldn't have been made more welcome and, from a personal point of view, I found the wealth of combined knowledge and freely offered advice such a fantastic help. Thanks to everyone.

The organisers (they know who they are) did a superb job and we will definitely be back next year.

Thanks again,

David

Gentlemen, I am trying to work out what the contraption that looks rather like a ship's bell is in front of the dark red car? try as I may I can't figure it out! Bill forgive me for butchering your excellent pictures! 🤔

Rob Very good to meet you, your Lagonda and your team! Thanks for making the trip to join with all the other Members and also for the kind Dutch comments, enthusiasm and Bulbs for the Board at the AGM! A great surprise and Kate advises that they are planted just now - so waiting for a frost to play its part in the near future!

Great to see all the positive comments and the spirit of the weekend is continuing with good memories and great regard for the excellent array of Specials - mostly not seen before at our Lagonda Weekend!

Thanks everybody - Christopher H 🚗
